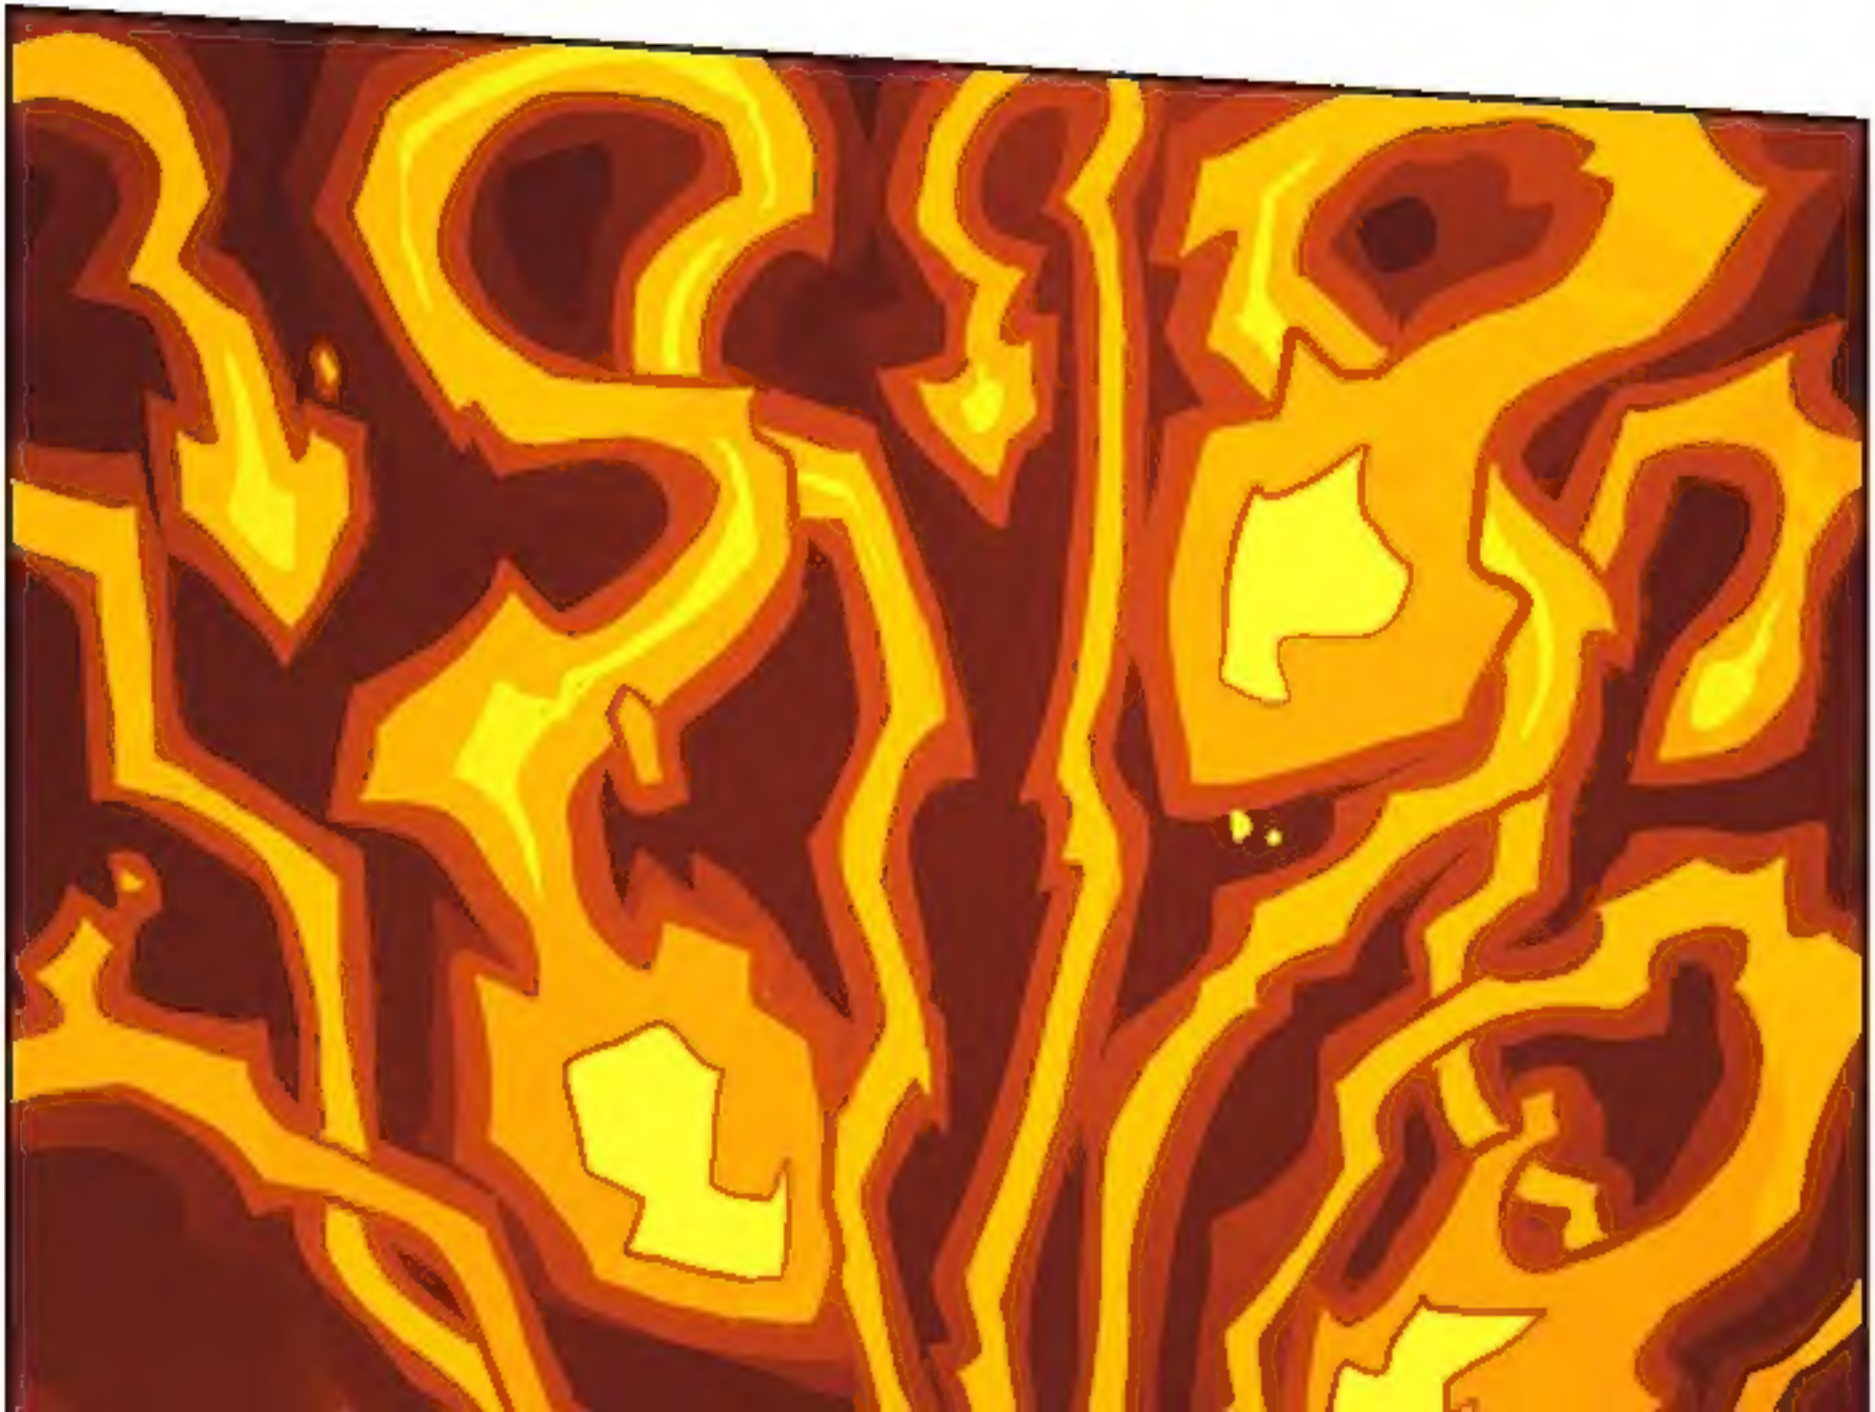
THE SWORD INTERVAL

BY BEN FLEUTER

The world is already *dead!*

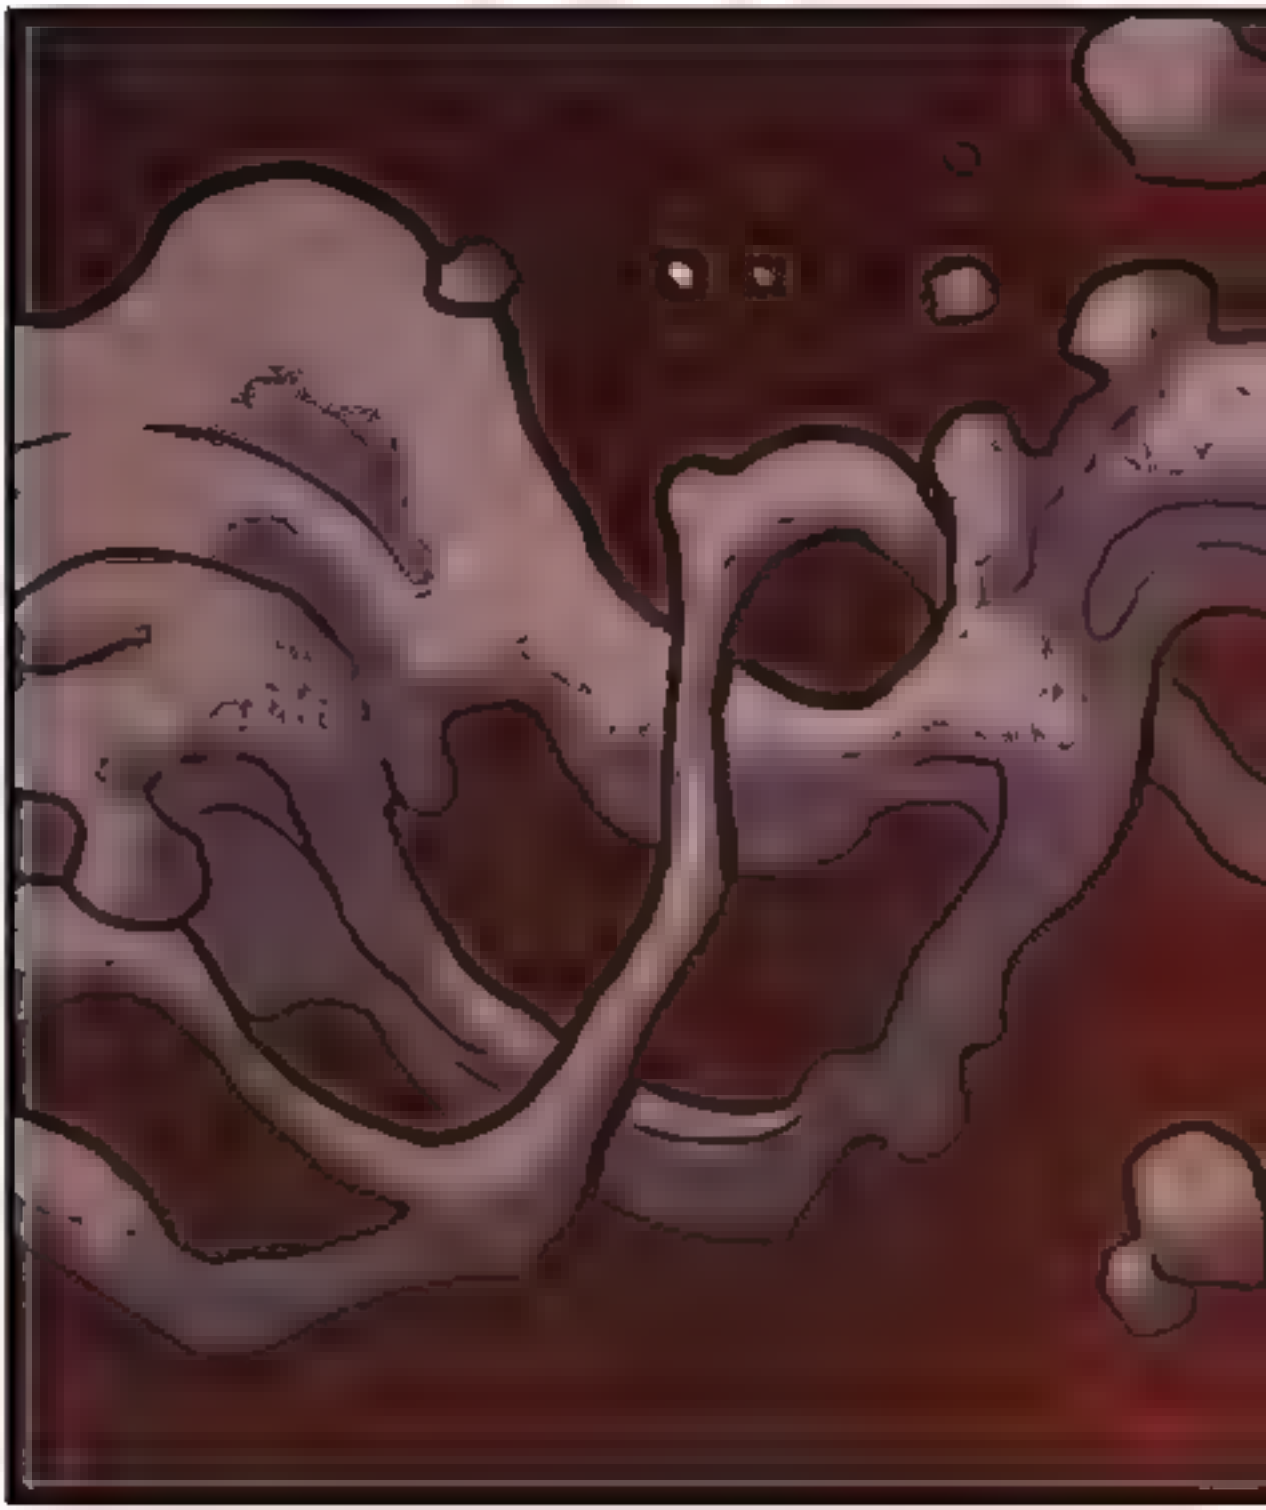


It is why monsters *thrive* as they do!

HN!

HUP!

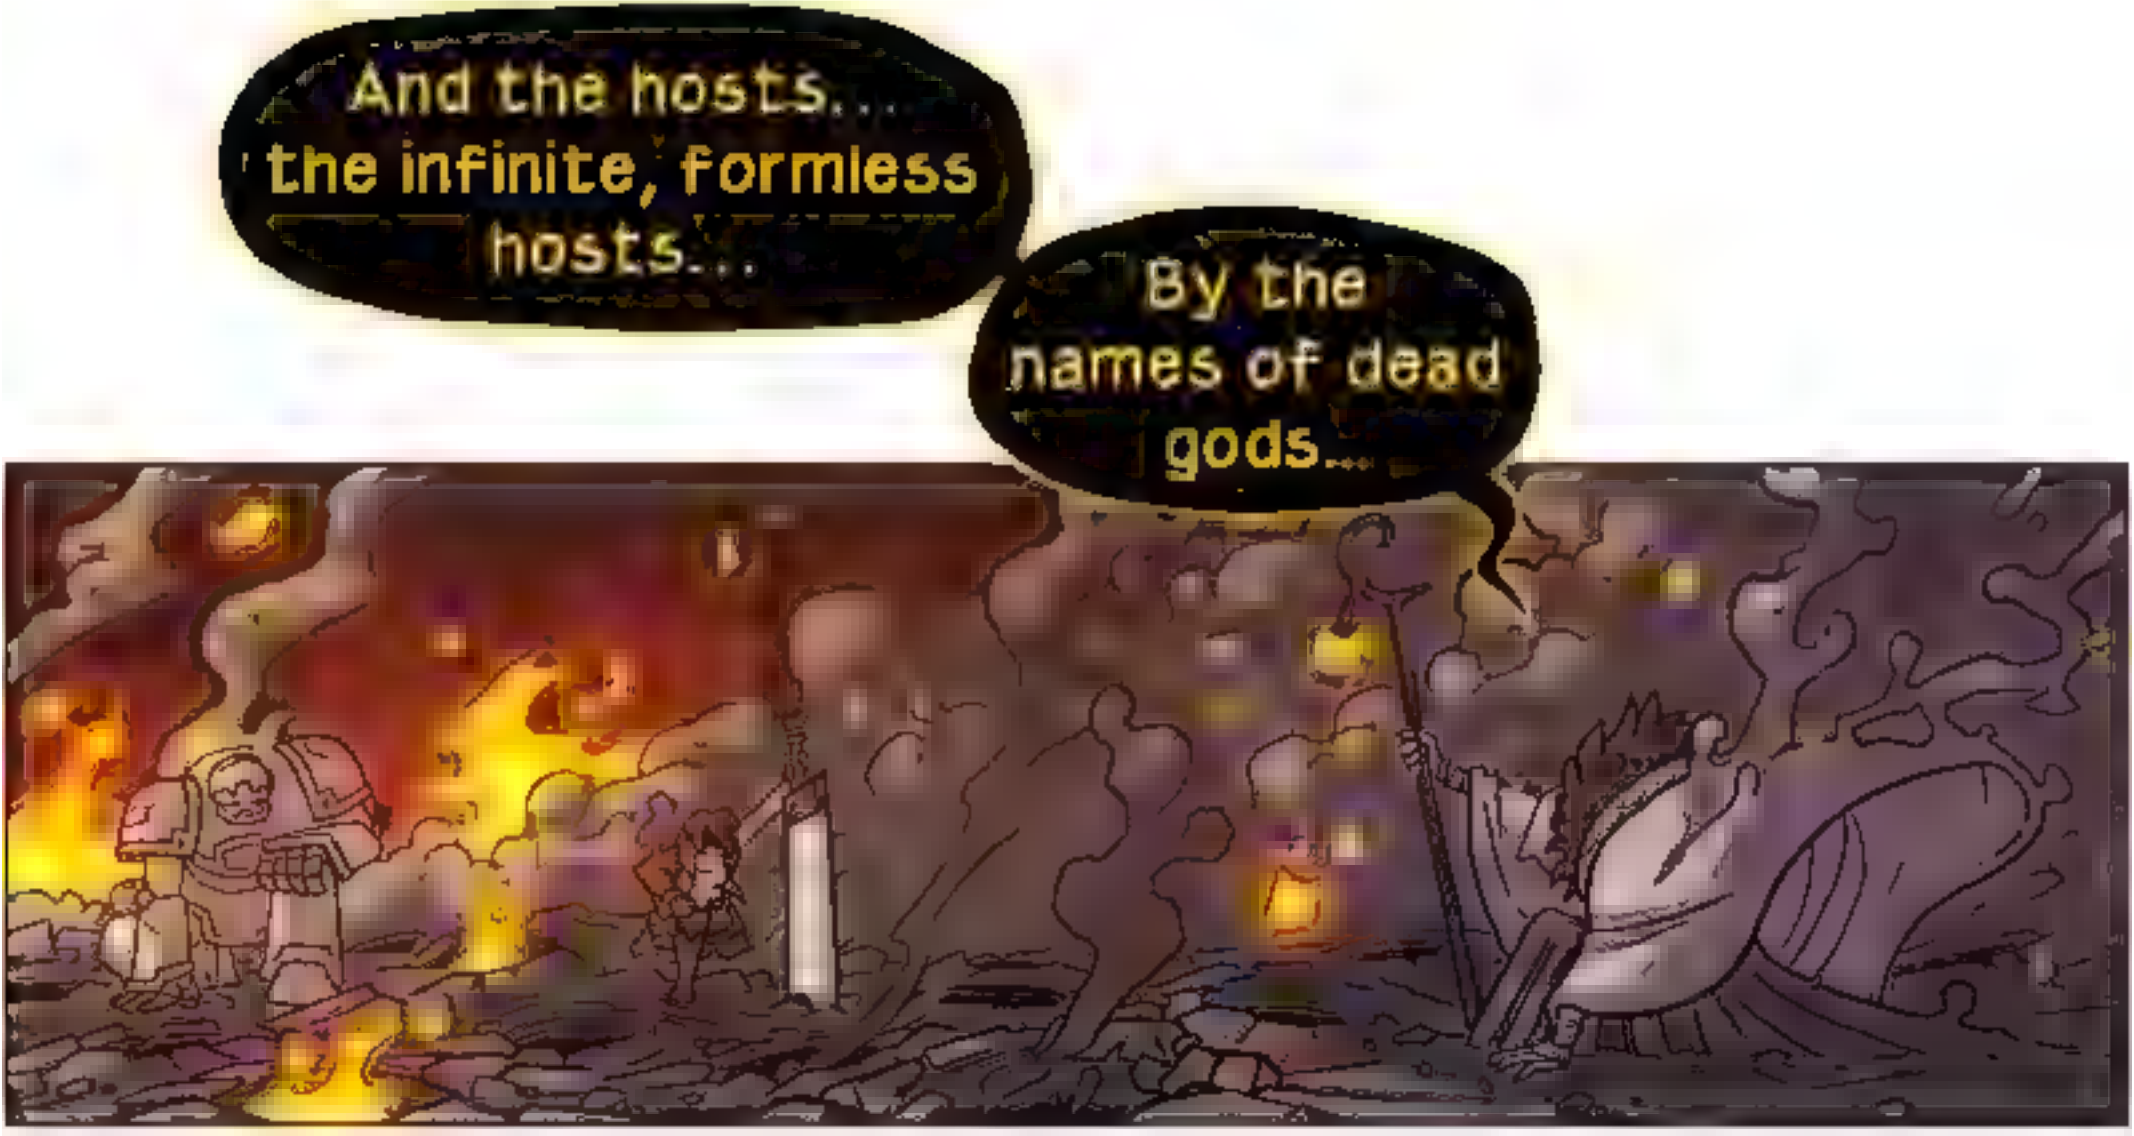
A corpse can not fight off an infestation!



A paltry few monster hunters are no panacea!

The dead will continue to rise!

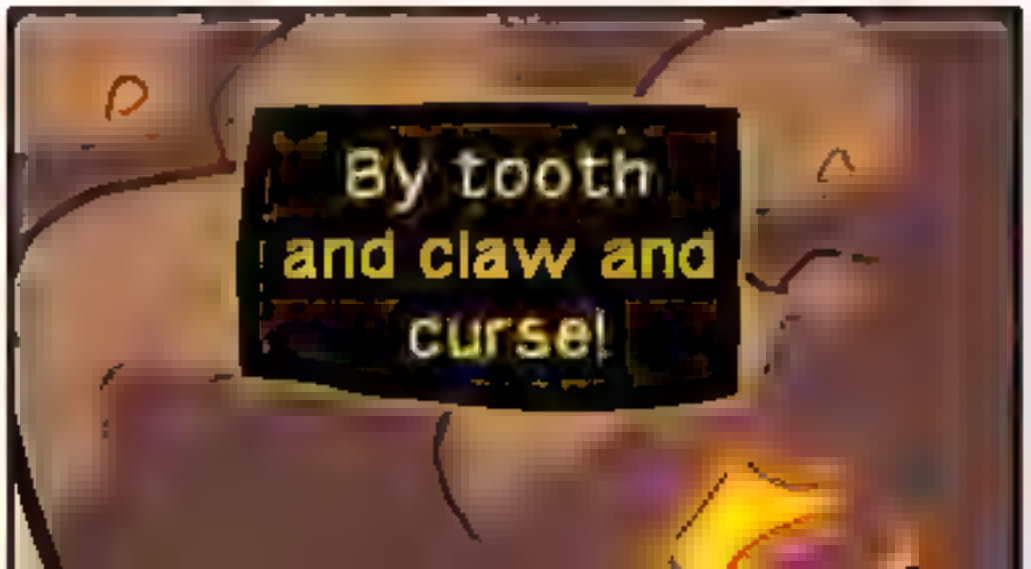
The forests will war with the cities!



And the hosts... the infinite, formless hosts...
By the names of dead gods...

YOU HAVE NO IDEA WHAT YOU'VE TRULY BEEN SLAYING!

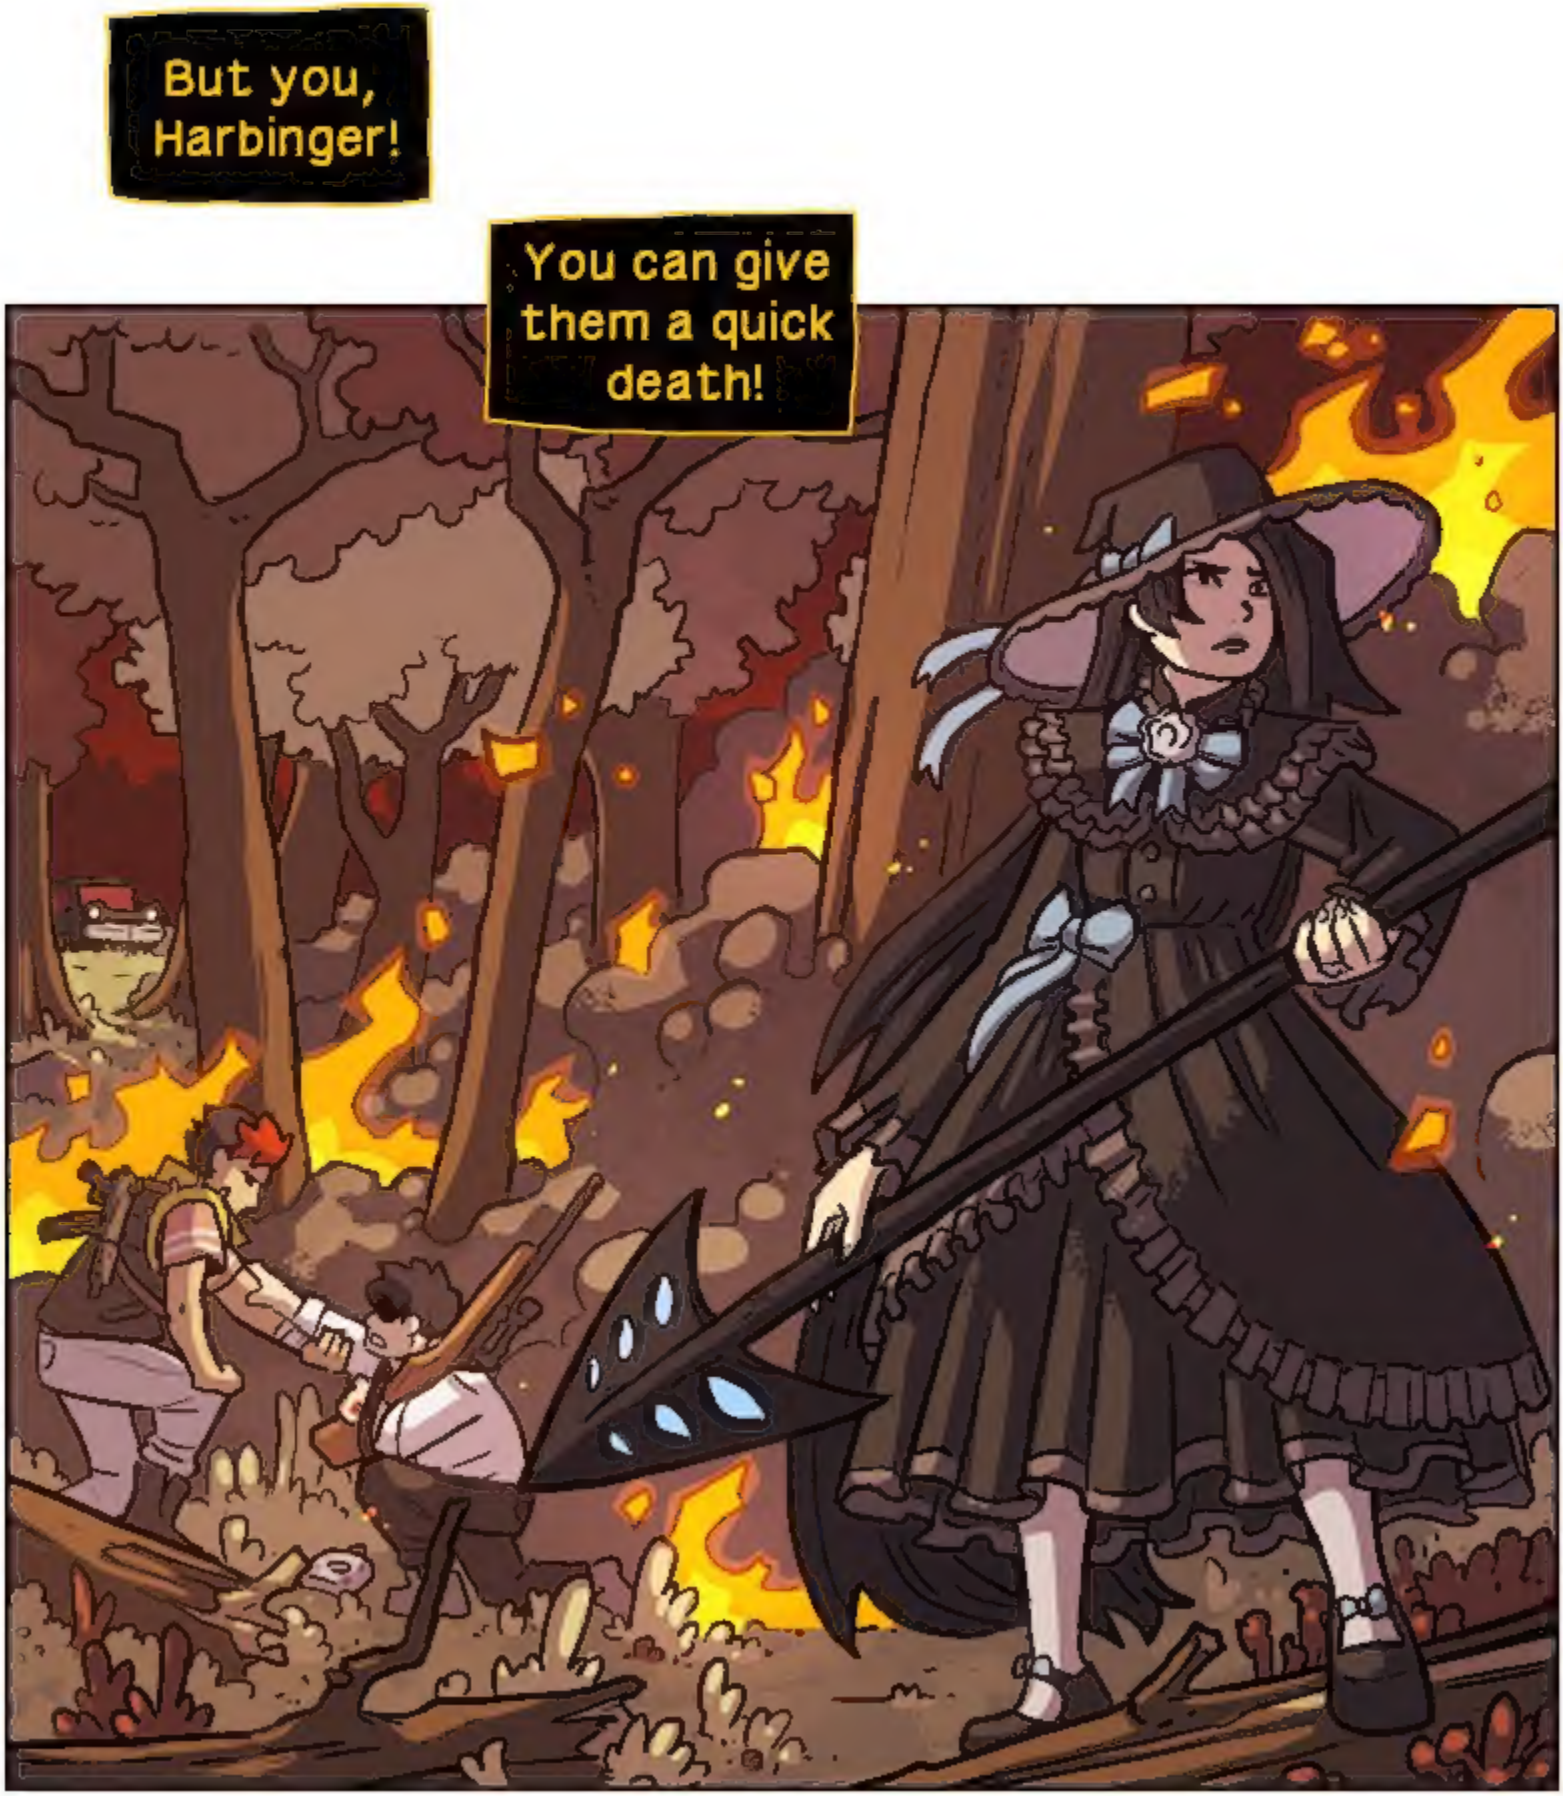
I have witnessed it! Humanity will die slowly! Screaming!



By tooth and claw and curse!

Cough
Cough

HF...



But you, Harbinger!
You can give them a quick death!

A mercy!
